NovaShop delivers to most countries in North America, Europe, and select markets in Asia and Oceania.

Standard delivery usually takes 3 to 7 business days after the order is processed. Express delivery is available for select destinations.

Shipping fees depend on destination, order weight, and selected delivery speed. International shipping fees are calculated at checkout.

Orders are shipped from NovaShop fulfillment centers after payment verification and inventory check.

Failed deliveries may require a reschedule or a redelivery fee if the customer is not available at the time of delivery.
